

MEMORANDUM

TO: Superintendents

FROM: Dr. Michele Walker, Director
Office of Student Assessment

DATE: December 10, 2010

SUBJECT: Diagnostic Assessment Tools for 2011-12

The 2011-12 Diagnostic Assessment Tools application (for mCLASS and Acuity) will be released soon, and a WebEx is available for those who would like to learn more about mCLASS and Acuity assessments.

- Date: December 15, 2010
- Time: 10:00-11:00 a.m. (Eastern)

The WebEx will include a brief overview of each assessment tool and details about regional information sessions, scheduled to take place throughout the state from mid-January through February.

Registration is not required. Please refer to the WebEx information below and invite others in your school corporation to participate, as applicable.

Topic: IDOE Diagnostic Tools Information Sessions
